

BASIC handgun handling skills for new or beginning shooters

Objective: To teach new shooters the skill to safely operate and shoot a handgun.

This is not a tactical training class for home and self-defense or concealed carry.

Rather, the primary goal is for shooters to leave feeling confident and comfortable in safely loading, shooting and actually hitting their target....more than once...on purpose.

Items needed: Handgun, semi-automatic pistol, double or single action revolver.
50 rounds of ammunition, any caliber
NO steel core or steel casing ammo. (Consult the range if unsure)
NO shot shells (sorry, Judge Owners)
Ear and eye protection (available for sale at the range)

Class Day: Please bring your UNLOADED firearm secured in a holster, case or gear bag.
Please **DO NOT** bring any ammunition into the classroom.
The shooting range is semi covered but not an indoor range. Please dress comfortable
As per the weather. About 3 hours, classroom and range time.
